LIST OF FIGURES

Moderated Learning Management System (LMS) — Architectural & Design Diagrams

The following table lists the complete set of design diagrams and system models specified in the Moderated LMS Software Engineering documentation.

Figure	Diagram Title	Diagram Category
Figure 1	Layered Component Architecture	System Architecture
Figure 2	Design-Level Class Diagram — Users, Courses and Assignments	Class Diagram (View A)
Figure 3	Design-Level Class Diagram — Submission, Marking and Moderation	Class Diagram (View B)
Figure 4	Service and Pattern Class View	Class Diagram (View C)
Figure 5	Submission State Machine	Behavioral Model
Figure 6	Activity Diagram: Submission to Released Mark	Behavioral Model
Figure 7	Sequence Diagram: Submit Assignment (Late and Resubmission Paths)	Interaction Model
Figure 8	Sequence Diagram: Moderate and Release Marks	Interaction Model
Figure 9	ERD — School Structure and Assignments	Database Schema (View A)
Figure 10	ERD — Submissions, Marks, Moderation and Audit	Database Schema (View B)
